Online Help for 2021 Season

As you know, VAST has decided to make TMA purchases only available online at VTFAST.ORG. Some folks are not comfortable doing the online purchase, especially since the registration has to be uploaded. We'd love to help you. Call or text our Membership Coordinator, Missy, at 802-558-4697 or Tina at 917-734-0327 if you want assistance. If you need help with the online Safety Course, Michelle, one of our instructors, will be glad to help. We can get you in touch with her.

Trail Report

December 17th we got a whopping and epic 44+/- inches of snow. Our volunteer groomer operators, Bernie, Andrew and Bill got out there and over a few days got the trails in sweet condition. Until the devastating inches of Christmas rain that is. It wiped us out. We have gotten a few inches of snow since and are open with early season conditions. Volunteers have cleaned up downed trees, etc. THANK YOU, VOLUNTEERS!

Events

Our events have to be a bit more creative this year to keep with social distancing guidelines. Maybe a scavenger hunt? Keep checking Facebook or our website, ludlowsidehillcronchers.com, for details.

Events

Thurs, Feb 18 7PM – Club Zoom meeting. Email us at info@sidehillcronchers.org if you are a member and want the link.

Check out some of our new signage thanks to SignPro!

Thank you, SignPro!

BIG THANK YOU to Pete and his son from SignPro for generously donating the signage and their time to personalize our groomer and drag. Looks fantastic!

Warming Hut is Temporarily Closed

Unfortunately, due to the state's Covid restrictions, the club decided to close the Warming Hut until further notice. We will open it as soon as the restrictions are loosened. The porta potty is there if you need it. You're also welcome to relax on the deck.

Ludlow Country Store/Deli is Closed

The Ludlow Country Store/Deli has closed its doors. That is a bummer since that means no pulled pork sandwiches and no easy access to gas in Ludlow at this time. If you are desperate, you can park your sled by Subway and walk into town. It's a bit of a walk but it is doable.

FREE Snowmobile Weekends

Quebec	1/16 – 1/17
Vermont	2/5 – 2/7
New Hampshire & Maine	3/5 – 3/7
